# HYBRID PARKS

- **Vision**
- Transform the green area into an attraction both for local residents as well as for the whole region. Skäggetorp Park should become as well known and frequently visited as Trädgårdsföreningen (The Garden Society Park) in Linköping.
- The Wellness Garden; Hope, Faith & Friendship

# HYBRID PARKS

## Goals

Fewer marginalized people in the districts marked by social exclusion

Fewer city districts marked by social exclusion and

More city districts, as well as cities and larger towns in general, to demonstrate economic growth and sustainable development, in order to become more competitive.
